

Eagles Wings of Grace

Helping women thrive with  
dignity, purpose and hope!

Attention: Client Case Worker

Eagles Wings of Grace has been clothing Women in Compassion for over 12 years. Our purpose is to help women who are in need of professional clothing to wear for a job interview or to wear to work. We rely on your referrals to continue to help women in our community that are in need of a helping hand!

All that we need from you is a referral that states their name and their need on your letterhead stationary. Once they have the referral they can call our appointment line – 520-906-9915 and set up an appointment. We allow approximately 1 hour for their one on one appointment to find clothes and accessories that will make them feel and look appropriate for their interview or job. We do ask that if they do make an appointment that they show up or at least give us a courtesy call and let us know if they cannot make it. Our staff is totally volunteer base so it is appreciated to know when we can expect clients.

Your ministry is a blessing to the Tucson Community and we appreciate you and what you do. Help us continue to clothe women in Compassion by referring women to us. We are very passionate about Ministering to women at risk and with your help we can continue blessing them.

Thank you for your help, please give me a call if you have any questions or would like a tour of our Ministry.
